

Dear Parents, Alumni, Faculty, Staff, Grandparents, Board of Trustees, Volunteers, and Friends:

Saint Mary School was established in the heart of German Village in 1865 and continues to educate Preschool – 8<sup>th</sup> grade students today with an enrollment of over 280 students. We are asking for support from our entire community to continue to pass on the Gift of Knowledge through our Guardian Angel Fund. The Guardian Angel Fund provides tuition assistance and helps to bridge the financial gap for those students in need. Our goal this school year is to raise \$100,000 to aide those families who are not able to afford the full cost of tuition at Saint Mary School, and we need your help.

To support us in this mission to provide a high-quality, Catholic education, please consider making a donation by either check (made out to Saint Mary School) or credit card ([www.stmaryschoolgv.com](http://www.stmaryschoolgv.com) and click on “Guardian Angel Fund”). Thank you for helping us reach our goal, we are most grateful for your support!

P.S. Corporate matching gifts are excellent ways to help Saint Mary School meet its goal! Please inquire with your employer to request a matching gift form, or go online to your corporate foundation website to match your donation to Saint Mary's Guardian Angels Appeal.

God bless,

*Kayla Walton*
